Description

Office 2013 Professional Plus is an older version of Office, yet it remains widely used and in demand.

It includes the main Office programs: Word, Excel, PowerPoint, Outlook, Access, Publisher, and OneNote.

Recommended for:

- Individuals who have already installed Office 2013 without a license and wish to activate it.
- Individuals or businesses that have software incompatible with newer versions of Office.
- Businesses that wish to purchase a single version of Office for all their devices, whether they are [Windows 10](#) or earlier.
- Individuals who prefer this version of Office and do not wish to upgrade to a more modern one.

Compatibility and Operating Systems:

Office 2013 is compatible with all Windows versions starting from [Windows 7](#).

For Mac and mobile users, [Office 365](#) is recommended.

For users with Windows XP or Vista, [Office 2010](#) is recommended.

Its system resource consumption is slightly lower than that of later Office versions.

Product Delivery:

This product is provided as a 25-digit digital license code. After making your payment, an email will be sent to you containing the activation code and instructions. The email will include a manual to guide you through the installation process easily, using the official system provided by the manufacturer.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.
